Erdős, Pál

On some unusual, non-conventional problems in additive number theory. (In Hungarian)

Mat. Lapok 30, 9-14 (1982). [0025-519X]

Some unsolved or partially solved problems in combinatorial number theory.

I.Z.Ruzsa

Classification:

11B75 Combinatorial number theory

11B83 Special sequences of integers and polynomials

11P99 Additive number theory

00A07 Problem books
